

Sister

Deva Mahal

Are you there?

It's worst when I try and call your phone
And I remember then there's no way you can be home
I could get down and scream but I don't have a choice
I'd do anything, oh, man, I'd give anything just to hear your voice

So I sing louder, I'm reaching out (are you there?)
Oh, can you hear me? (Are you there?)

It's worst when I rush into a thought of you
Out in the open with no safe space to bring down
Don't wanna cause a scene, but I don't have a choice
I'd do anything, would give anything for you to hear my voice

If I sing louder, I'm reaching out (are you there?)
Oh, can you hear me?
If I sing loud, at the top of my lungs (are you there?)
Will you be there?

Ooh, our love is strong, we didn't always get along, but I'd die for you
Hey, we'd fuss and fight, and I'd always think I was right, but I adore you
I just wanna kick and scream 'cause you, I can't replace (I can't replace)
I'd do anything (anything) oh, man, I'd do anything (anything), just to see your face, oh-whoa-whoa, yeah

Oh, can you hear me? Can you hear? Oh
Although you've been in my mind, right here, I've been
Feeling you near me, sister, you're everywhere
Since we both [?] will you come back to me?

If I sing louder, I'm reaching out (are you there?)
Oh, can you hear me? (I'm reaching out)
If I sing loud, at the top of my lungs (are you there?)
(Can you hear me?) Will you be there? (At the top of my lungs)
If I sing louder, I'm reaching out (I'm reaching out)
Oh, can you hear me? (Sister, can you hear me?)
If I sing loud, at the top of my lungs (are you there?)
Will you be there?

Will you be there?
Will you be there?
Will you be there?
Will you be there?
Will you be there for me?
For me?
Are you there?
Mmh, yeah
Ooh

Are you there?
