

Snakes

Deva Mahal

Hey, hey, hey, hey
Woah, oh-oh-oh
Hey, hey, hey, hey
Woah oh

Slither, sinner, like a snake in the grass (Whoa oh-oh-oh)
Wolf in sheep's clothing with words made of glass (Hey, hey, hey, hey)
Crept up upon me like a shadow on the wall (Whoa oh-oh-oh)
Couldn't prepare me for how heavy I would fall

And I say, oh girl, step on the scene (Whoa oh)
Don't you know the world is so mean?
Oh girl, caught in between (Whoa oh)
Don't you know the grass ain't green?
Oh girl, step on the scene (Whoa oh)
Don't you know the world is so mean?
Oh girl, caught in between (Whoa oh)
Don't you know the grass ain't green?

Smoke and mirror, what a spell you have cast (Whoa oh-oh-oh)
Cruel predictions have all come to pass (Hey, hey, hey, hey)
The earth is shaking and the sky is tumbling down (Tumbling down)
Shaking my tree 'til my leaves fall to the ground
And I said, fall to the ground, fall to the ground
Fall to the, fall to the, fall to the ground

And I say, oh girl, step on the scene (Whoa oh)
Don't you know the world is so mean?
Oh girl, caught in between (Whoa oh)
Don't you know the grass ain't green?
Oh girl, step on the scene (Whoa oh)
(Step on the scene)
Don't you know the world is so mean?
(World is so mean)
Oh girl, caught in between (Whoa oh)
Don't you know the grass ain't green?

Don't you know the world is so mean?
Do-do-do-do-don't you know? (Do-do-do-don't you know? Whoa, oh-oh-oh)
Don't you know the world is so mean? (The world is so mean, hey, hey, hey, h
ey)
Do-do-do-do-don't you know (Don't you know?)
Do-do-do-do-don't you know (Don't you know?)
Do-do-do-do-don't you
Do-do-do-do-don't you
Do-do-do-do-don't you know?

Imma look to the mountains, look to the mountains, look to the mountains
And Imma take you to the sea
Look to the mountains, look to the mountains, look to the mountains
And Imma take you to the sea
Look to the mountains (Step on the scene)
Look to the mountains (World is so mean)
Look to the mountains (Step on the scene)
And Imma take you to the sea (World is so mean)
Imma take you to the sea (World is so mean)
Imma take you to the sea
