

# Turnt Up

Deva Mahal

If you move forward  
There's no turning back  
So let's take it slow  
No need to move fast  
Don't tell me your secrets  
I don't care about your past  
There's only this moment so  
Let's make it last

Then get turnt up with the lights down low  
Love you tonight, tomorrow, who knows  
So drink here with your whiskey lean  
Tonight, boy, you're looking so clean

Turnt up with the lights down low  
Love you tonight, that's how the game goes  
So drink here with your whiskey lean  
Tonight, boy, it's just you and me

I think you're checkin', I can  
See it in your eyes  
And you know I like it  
There's no need to disguise  
What's there to be your problems  
I don't care about your lies  
Tonight, let's get arrested  
Then get into the night

Then get turnt up with the lights down low  
Love you tonight, tomorrow, who knows  
Drink here, your whiskey lean  
Tonight, girl, you're looking so clean

Turnt up with your lights down low  
Love you tonight, that's how the game goes  
Drink here with your whiskey lean  
Tonight, girl, it's just you and me

No, you don't even know me  
I like what I see  
So I want you to show me  
Temptation between the sheets  
So finish what you're sippin'  
Don't need another drink  
If you're ready, I'm with it  
Didn't come here to think

Turnt up with the lights down low  
Love you tonight, tomorrow, who knows  
So drink here with your whiskey lean  
Tonight, boy, you're looking so clean

Turnt up with the lights down low  
Love you tonight, that's how the game goes  
Drink here with your whiskey lean  
Tonight, boy, it's just you and me

It's just you and me  
It's just you and me, yeah  
Oh, it's just you and me, yes  
You and me, no  
It's just you and me, yeah  
Just you and me  
No, it's just you and me

It's just you and me, yeah, you and me  
It's just you and me, yeah, baby  
(Yeah, sounds good)
