

Your Only One

Deva Mahal

You go where you please
And where you go, I'll follow, I'll follow
And I've loved you for a million years
And where you go, I'll follow, I'll follow

In good times, in bad times
You know that I will stay
In rich days and broke nights
You know that I won't walk away

Oh, and I... I've loved you for million years
And I wanna be your only one
Your only one

In good times and bad times
You know that I will stay
In rich days and broke nights
You know that I won't walk away

Cause I've loved you, for a million years
Oh, I wanna be your only one, your only one
And oh, I wanna be, yeah, your only one, yeah
And oh, I wanna be your only one, your only one
