

Fig in Leather

Devendra Banhart

I've been waiting to tell you so close
I will make phone calls and drink some wine
There's a place where all the pretty flowers grow

I will make phone calls 'cause you're a lady

I'm trying to show you all about it
I will have (?)
I've got Frigid Air to keep it cool
I will take the time 'cause you're a lady
(You're a lady)
Top-quality lady (You're a lady)
(?) (You're a lady)
Quite powerful lady (You're a lady)
A very cool lady
What do you think about me now?
What do you think about me now?
What do you think when I think of you?
What do you think about me now?
I think of you
I think you think of me too
I think of you
You (?)

Hello, is that you?
Come right in, have a seat
Remove your shoes, enjoy some fruits
Did I mention "have a seat"?
I'm real high-tech authority
That's right, I'm quite an ace
I'm cutting edge, I think you look great
Have you seen my karaokes?

For my (?)
For my tape machine
[?] search so easily
I'm trying it out, have to be me
How come everybody gets you, baby?
Tell me why everybody gets you, baby

What do you think when I think of you?
What do you think about me now?
I think of you (Why not me?)
You think of me, don't you?

I will eat my keyboard and drink some wine
I will give good quality conversation
I know the whole world is with this ice
I always take the time 'cause you're a lady
You're a lady
You're a lady
You're a lady
You're a lady
You're a lady
