

Flying Wig

Devendra Banhart

I'm alone
Dancing naked
On an eye
Without a head

Like a wish
I can finally confess
With no need for words
I no longer possess

Hold me close
Is all I wanted to say
Abandon hope
Of some other way
I'm not there, and yet
We're never apart
This drunken prayer
Inside my heart

Inside my heart
Inside my heart

Certainty's a number
I'm starting to doubt
Loving you
Is all I'm certain about
And if I have failed to live by promises made
I give myself 'til nothing remains

I'm alone
Dancing naked
On an eye
Without a head

I'm alone
Dancing naked
On an eye
Without a head
Without a head
Without a head
Without a head
