

Ice Rat

Devendra Banhart

Look, man, read my eyes, that ain't no dog in the room
But when you realize what it can do to you
When you finally arrive in an hour or two
I'll be deep inside of a cloud or two

It wasn't my idea, I just did what he said
I saw an ice rat, he really, really said
Ice rat, he really, really said
You better do just what he tells you to do
Do just what he tells you to do

That thing, it ain't no possum
That thing ain't no dog
That thing, it ain't no what you saw
It ain't a baby crawling around on all fours
And you know what it's at, yeah

Look man, read my eyes
That ain't no dog with you in the room
When you finally realize what it can do to you
It wasn't my idea, I just did what he told me to do
