Deviates

I'm not racist I hate everyone and yes, I hate you.  
I hate cops,  
Authority figures, parents, teachers too.  
I hate cabbage & brussel sprouts.  
I hate things I can live without & I can live without you.  
I can live without you, so just leave me alone,  
Take your ball & go home, I'll do it on my own
