

## Hanging On A Heart Attack

Device

Can you ride the rhythm of this human wave? Caught up in the music and the space you save

Caught up in the magic of it caught up in the madness.

Sometimes you scare yourself you're so strong

you're so tough. Can you feel the fire pumping through your veins? You try to get up and here it comes again

Right down to the basics of it right down to the wire.

So if you feel you're hanging on a heart attack

Hold on come back oh yeah - it's just that easy -. So if you feel you're hanging on a heart attack

Hold on come back oh yeah - it's just that easy -.

Ring the bell ring the bell let the walls come down

Surrender your wings before they lift you off the ground

Surrender for every reason surrender yourself.

Sometimes you go so far you're so hot you can't stop. Can you make it last make it rock to the bone? If you do it faster will the hunger drive you home? Right down to the basics of it right down to the wire. So if you feel you're hanging on a heart attack . . .

Can you ride the rhythm of this human wave? . . . So if you feel you're hanging on a heart attack . . . So if you feel you're hanging on a heart attack
