

form and you like what you are  
but they don't so you form  
with the hope to be the best you can be  
in a world with nothing  
it's all lies and so am i and no one listens  
form now your awake and the nightmare goes on  
time it's the gun that stops for no one  
for life is a gift they say  
it's all lies and so am i and no one listens  
for life is a gift they say and i just wanna give it away  
and the love that i want they insist doesn't exist  
it's all lies and so am i and no one listens
