

# Lie To Me

Devics

You're waisting all your time here  
riding around in the sun  
alone and idling  
come wander back to me  
you know I'll always be there  
lie to me  
lie to me  
make like you love me  
lie to me  
lie to me  
oh  
with this one you never go  
and this one you never show yourself  
with this one you tell it all  
and turn your world into a ghost town  
lie to me  
lie to me  
make like you love me  
lie to me  
come on it's easy  
oh  
don't think of what we can't be lie to me  
lie to me  
make like you love me  
lie to me  
lie to me  
oh  
don't think of what we can't be  
I know what you need and you know that you like it  
the name you were born with  
your soul on your sleeve  
let me believe in something
