

## The Way You Sleep

Devics

close all the doors  
lock me in  
i'm yours  
it's been so hard to sleep lately  
with you i'm not what i should be  
but your liking me  
it's been so hard to sleep lately  
i have already lost it all  
your such a game and i'm about to fall for it  
i've been watching you sleep  
and it's amusing  
it's so hard to sleep lately  
i have already lost it all  
your such a game and i'm about to fall for it  
i've been watching you sleep
