

# Fever

Devil Doll

Never knew how much I loved you  
Never knew how much I cared  
When you put your arms around me  
I get a fever that's so hard to bare

You give me fever  
When you kiss me  
Fever when you hold me tight  
Fever  
In the morning  
Fever all through the night

Listen to me baby  
Hear every word I say  
No one can love you the way I do  
Cause they don't know how to love you my way

You give me fever  
When you kiss me  
Fever when you hold me tight  
Fever  
In the morning  
Fever all through the night

You know I love you baby  
Take these arms away  
Take this heart and never use it  
Just believe what my hips have to say

You give me fever  
When you kiss me  
Fever when you hold me tight  
Fever  
In the morning  
Fever all through the night

Sun lights up the daytime  
The moon lights up the night  
My eyes light up when you call my name  
Cause I know you're gonna treat me right

You give me fever  
When you kiss me  
Fever when you hold me tight  
Fever  
In the morning  
Fever all through the night
