

## Lord's Prayer

Devil Doll

Dear God please don't fuck me on this one  
Cause me heart is getting colder  
Nights are getting older  
And I have always known that he is the one  
So God please don't fuck me one this one  
The path was a little shady  
And I haven't always been a lady  
But I gave my heart and soul  
Intentions pure as gold  
But he still felt he had to go so

So God please don't fuck me on this one

So God please don't fuck me on this one
