

Witness Marks

Devil Sold His Soul

[Verse 1]

And I found out we're just as fragile as you
Will I ever find out
If I'm hanging on?
I'm just hanging on

[Chorus]

I can't seem to cope
And I can't seem to forget
There's a fear in my eyes
A smile that hides the rest

[Verse 2]

So rearrange my head
'Cause it's poisoning the rest
And I don't know what to do
But I'm hanging on
Am I hanging on?

[Chorus]

I can't seem to cope
And I can't seem to forget
There's a fear in my eyes
A smile to hide the rest
I found sinking back to past
I'll ask myself
Am I just prone to destruct?
I'll sink to the bottom

[Breakdown]

These witness marks that we hold
A hardened reminder that I can't seem to throw
These witness marks that we hold
They're etched as deep as I could go

[Bridge]

I'll take this all
To my deepest low

With my hands so cold
And I can hardly see my way through the trees
My focus falls away
I cannot open my eyes
I'll lay here silent
On and on, just filling me with doubt
Feeling frail and broken, I'll just take this alone
But in time, will I still need to hold this outline to keep me closed?
Is it me at all?
Is this a price that I care to hold?
After all, it's impossible
A feeling so hopeless
I'm cold and I'm tired, take it all
After all, it's impossible
A frozen thought that proves that I'm lost, take it all

[Outro]

I can't breathe, it's pulling me off my feet
Though I'm alive, I've forgotten how it feels to be all right
I can't breathe, it's pulling me off my feet
Though I'm alive, we've given up on ourselves (We've given up on ourselves)
I still sink to the bottom
