Sacrifice

Devil You Know

Carry the weight of the world on your shoulders
You'll bear the deepest of scars
And as another day takes it's toll
It's time to let the burden fall

If you only knew
That I have been here all along

I am willing to lay under the knife
This is my sacrifice
I am willing to give away my life
I am the sacrifice

Why is it only through self destruction
You're able to open your eyes
Even in the mirror's relfection
You still wear your disguise

If you only knew
Salvation is right here in your arms

I am willing to lay under the knife
This is my sacrifice
I am willing to give away my life
I am the sacrifice

What have you gained
What have you heard
When you've lost everything you are
I would give all I have
Just to see you save yourself

I am willing to lay under the knife
This is my sacrifice
I am willing to give away my life
I am the sacrifice
