

# Back Down To the Grave

DevilDriver

Ruin is the way!  
So vicious is your gaze.  
It puts men down in their coffins early!

Haunted by a memory...  
Of time,  
Wasted by you  
Wasted by me...  
Thoughts of what was meant to be!  
By the way,  
Ruin is the way.  
So vicious it...  
Makes them suffer!

Fucking run for cover!  
You're good from far but far...from  
Good intentions  
Never learned those lessons!  
You need confession now!

It's.. Irrelevant  
Just... what you want  
Take it!

Back down to the grave,  
Just admit it's not your day  
You're filthy as a thought to see  
Outstretched in memory  
Back down to the grave  
Just admit it you can't be saved  
You're filthy as a memory  
Outstretched for all to see

You're a superstar of dysfunction!  
It's a miracle that you function!  
Gonna put you in a coffin early, so early!

Haunted by the way that it was.  
It ended because you... made me suffer!

Fucking run for cover!  
You're good from far but far...from  
Good intentions  
Never learned those lessons!  
You need confession now!

It's.. Irrelevant  
Just... what you want  
Take it!

Back down to the grave,  
Just admit it's not your day  
You're filthy as a thought to see  
Outstretched in memory  
Back down to the grave  
Just admit it you can't be saved  
You're filthy as a memory

Outstretched for all to see

Just make your move  
It's much better than being a marked man

It makes them suffer  
I'll make it out of this place  
If I don't make it out alive at least they'll hear my cries,  
Hear my cries

It's.. Irrelevant  
Just... what you want  
Take it!

Back down to the grave,  
Just admit it's not your day  
You're filthy as a thought to see  
Outstretched in memory  
Back down to the grave  
Just admit it you can't be saved  
You're filthy as a memory  
Outstretched for all to see

Makes them suffer!  
Fucking run for cover!  
You're good from far but far...from

Makes me suffer(4x)

Back down to the grave !
