

# Clouds Over California

DevilDriver

Come forth for the cattle call  
Confront the evil river you can't control  
Wicked ways and venomous eyes  
Just human nature in disguise

Lost in this world, out on the edge  
With death by our sides  
Today I sworn that I wouldn't mourn ya  
Clouds over California

If that's the way it's gonna be  
...  
I'm a saint in sinners eyes  
Curse the clouds over California  
This is the call to obey  
Let the chaos reign

Bloodshot and weary-eyed  
We took you in full of sin and pride  
It'll take you and break you away  
It'll tear you apart  
Today I swore I wouldn't mourn ya  
Clouds over California

If that's the way it's gonna be  
...  
I'm a saint in sinners eyes  
Curse the clouds over California  
This is the call to obey  
Let the chaos reign

I'm a saint in sinners eyes
