

Whiskey River

DevilDriver

Whiskey river take my mind
Don't let her mem'ry torture me
Whiskey river don't run dry
You're all I've got, take care of me

Whiskey river take my mind
Don't let her mem'ry torture me
Whiskey river don't run dry
You're all I've got, take care of me

I'm drowning in a whiskey river
Bathing my mem'ried mind in the wetness of its soul
Feeling the amber current flowin' from my mind
And warm an empty heart you left so cold...
You left so cold, left so...

Whiskey river take my mind
Don't let her mem'ry torture me
Whiskey river don't run dry
You're all I've got, take care of me

I'm drowning in a whiskey river
Bathing my mem'ried mind in the wetness of its soul
Feeling the amber current flowin' from my mind
And warm an empty heart you left so cold

Whiskey river don't run dry
You're all I've got, take care of me

You're all I've got, take care of me
You're all I've got, take care of me
You're all I've got, take care of me

I'm drowning in a whiskey river (whiskey river)
Bathing my mem'ried mind in the wetness of its soul
Feeling the amber current flowin' from my mind
And warm an empty heart you left so cold
Left so fuckin' cold...
