

You Make Me Sick

DevilDriver

Pass them by 'til all their pain subsides as the lamb lays by y
our side the last season is upon us tough to deal with a real h
ard case make no mistake no bones about it never fit in but I've
e found my place!

Going in dirty as pigs...

Sacred secrets of the sorrow bound going in dirty as pigs watch
ing as it comes unwound

You make me sick! (4x)

Irreverent and full of wants shaking at the foundation gone aga
in but not gone for good living in sedation think so little of
yourself to think of no one else hope no one tells make no mist
ake no bones about it never fit in but I've found my place!

Going in dirty as pigs...

Sacred secrets of the sorrow bound going in dirty as pigs watch
ing as it comes unwound

You make me sick! (4x)

With everything you do with everything you are everything you s
ay you take it too far you make me sick, you make me sick!

This sour taste remains this sour taste remains disdain, disdai
n, disdain.

This sour taste remains this sour taste remains disdain, disdai
n, disdain.

Your actions speak louder than words all I do is throw the curs
e

You make me sick! (4x)

With everything you do with everything you are everything you s
ay you take it too far you make me sick, you make me sick!

Your actions speak louder then words all I do is throw the curs
e!

I'll burn it down before it turns black there's no solutions so
I'm on the attack
