

# Believe In Me

Devilskin

With open eyes I couldn't see the day  
Lost in the darkness where I walk when I'm afraid  
And although I knew I wasn't blind, it's something that you said  
I knew I couldn't take much more of this day

If you believe in what you see  
The love that's in me  
If I believe in you  
Will you Believe In Me?

(You're mine, you're mine)

Cry me a river  
Shoulder for your tears  
Into pieces, shattered alone  
I will hide your fears

If you believe in what you see  
The love that's in me  
If I believe in you  
Will you Believe In Me?

Although my tears don't stain  
(You're mine, you're mine)  
All of the years with pain  
(You're mine, you're mine)  
Make us both whole again  
(You're mine, you're mine)  
Our love can stand the strain

If you believe in what you see  
The love that's in me  
If I believe in you  
Will you Believe In Me?  
If you believe in what you see  
The love that's in me  
If I believe in you  
Will you Believe In Me?
