

# Holy Diver

Devilskin

Mmm, hmm  
Yeah, yeah

Holy diver  
You've been down too long in the midnight sea  
Oh! What's becoming of me  
Ride the tiger  
You can see his stripes, but you know he's clean  
Oh! Don't you see what I mean?  
I gotta get away  
Holy diver  
Yeah

Shiny diamonds  
Like the eyes of a cat in the black and blue  
Something is coming for you  
Look out!  
Race for the morning  
You can hide in the sun 'til you see the light  
Oh! We will pray it's alright  
I gotta get away  
Get away  
Between the velvet lies  
There's a truth that's hard as steel, yeah  
The vision never dies  
Life's a never ending wheel, sing  
Holy diver

You're the star of the masquerade  
No need to look so afraid  
Jump! Jump!  
Jump on the tiger  
You can see his heart, but you know it's clean  
Some light can never be seen  
Yeah!  
Hey!  
Holy diver

You've been down too long in the midnight sea  
Oh! What's becoming of me  
No, no!  
Ride the tiger  
You can see his stripes, but you know he's clean  
Oh! Don't you see what I mean?  
I gotta get away  
Oh! Get away  
I've gotta get away  
Oh! Get away, yeah!

Holy diver  
Soul survivor  
You're the one who's clean  
Holy diver!  
Holy diver!  
Ooh, never cuts in the middle  
Comin' after you  
Holy diver

Woah, holy diver, yeah  
Yeah, yeah  
Yeah, alright  
Get away, get away, get away  
Holy diver  
Holy diver  
Woah, holy diver!
