

# The Difference

Devin Dawson

I'm tired of sleeping on us  
I'm over dodging this crush  
I'm sick of waiting ten minutes just to text you back  
So you don't get to thinking that I'm too attached  
I'm more than benefit friends  
I'm more than just a weekend binge  
I want you to be my hottie riding shotty  
I don't want nobody's body but your body, babe  
All I'm tryna say, is

There's a difference between "Miss ya"  
And "I miss your face"  
There's a difference in "What's going on?"  
And "Baby, how was your day?"  
And there's a hell of a difference in saying three words  
But kinda just meaning two  
There's a difference in "Love ya"  
And "I love you"  
And I wanna be the difference, yeah I do

I wanna be the difference between "Hey, what's up"  
And "What we gonna do tonight?"  
Between "Yeah, she's cool, we hang out sometimes"  
And "That girl, right there, she's mine"  
Between leading you on and holding your hand  
Sitting it out and "Girl, let's dance"  
Playing it safe and taking a chance  
Yeah, pumping them brakes and hitting the gas

There's a difference between "Miss ya"  
And "I miss your face"  
There's a difference in "What's going on?"  
And "Baby, how was your day?"  
And there's a hell of a difference in saying three words  
But kinda just meaning two  
There's a difference in "Love ya"  
And "I love you"  
And I wanna be the difference

And close the distance  
And be that puzzle piece you didn't even know you was missing, baby  
Oh, I'ma be the difference, oh yeah  
I would be the difference

There's a difference between "Miss ya"  
And "I miss your face"  
There's a difference in "What's going on?"  
And "Baby, how was your day?"  
And there's a hell of a difference in saying three words  
But kinda just meaning two  
There's a difference in "Love ya"  
And "I love you"  
And I wanna be the difference, oh yeah  
I wanna be the difference

'Cause there's a difference between "Miss ya"  
And "I miss your face"

And I wanna be the difference, ooh yeah
