

# Whatever Forever Is

Devin Dawson

People throw around forever  
But no one really knows what it means  
They say they're gonna stay together  
Till the mountains crumble into the sea

To tell the truth, I didn't know why  
Some people do, 'cause baby I couldn't understand forever  
Guess I never had the chance  
Till I held it my hands, but

One look at you and girl, I got it down  
Can't help it that it's falling out my mouth  
I guess I had to wrap my arms around it  
To wrap my head, to wrap my heart around it, yeah  
One kiss and baby that was it for me  
Now I just wanna spend eternity  
With you loving on me just like this  
For whatever forever is

Yeah, girl, if I could take a second  
And try to put forever into words  
Yeah, what if what we got is heaven  
And I get to hold an angel here on earth, then

When kingdom comes and we close our eyes  
And it's all the same on the other side  
I think I'm gonna like forever  
If this is how it's gonna be  
Tonight until infinity

One look at you and girl, I got it down  
Can't help it that it's falling out my mouth  
I guess I had to wrap my arms around it  
To wrap my head, to wrap my heart around it, yeah  
One kiss and baby that was it for me  
Now I just wanna spend eternity  
With you loving on me just like this  
For whatever forever is

People throw around forever  
Yeah, but no one really knows what it means

One look at you and girl, I got it down  
Can't help it that it's falling out my mouth  
I guess I had to wrap my arms around it  
To wrap my head, to wrap my heart around it, yeah  
One kiss and baby that was it for me  
Now I just wanna spend eternity  
With you loving on me just like this  
For whatever forever is
