

Who's Gonna Hold Ya

Devin Dawson

When the last note, last verse
Last song fades out
When the last glow, and the last shine
Last light burns out
When you realize money don't
Really grow on a tree
When you find out love is really all you need

Who's gonna hold ya, when everything else is letting go?
Who's gonna know ya, better than anyone?
Who's gonna show up
When you need that someone by your side?
When the rest of the story's told
I hope there's no doubt in your mind
Who's gonna hold ya

If waking up, working hard
And doing good ain't enough
If the last drop, of your hopes
And your dreams dries up
If you're ever stuck, anywhere, without a prayer
And it don't feel like home
If you don't know what tomorrow holds, at least you'll know

Who's gonna hold ya, when everything else is letting go
Who's gonna know ya, better than anyone
Who's gonna show up
When you need that someone by your side
When the rest of the story's told
I hope there's no doubt in your mind
Who's gonna hold ya

You know, I know

This cold world can be so fleeting
But don't you worry
It's gonna be me
It's gonna be me
It's gonna be me

Who's gonna hold ya
Who's gonna know ya, better than anyone before
Who's gonna show up
When you need that someone by your side
When the rest of the story's told
I hope there's no doubt in your mind
Who's gonna hold ya
Who's gonna hold ya

You know, I know
Who's gonna hold ya
