

# Due Yo Thang

Devin the Dude

(Aw, naw  
Not again  
What you mean?  
Ok, like that, huh?  
Man, you're always trippin'  
Naw, fuck it  
Go ahead  
Peace)

Ooh, clothes on your back  
Got food on the table

You've got food on the table  
You've got clothes on your back  
You've got all your bills paid  
Why you want to treat me like that?  
You go and do as you please  
Keeping me on a string  
Go 'head and cut me loose so you can go due yo thang

I do all that I can  
You're never satisfied  
And always seemed to have your mouth poked out  
You're able to pay your cable, your money's spent 'cause of the rent  
You're on your ass because of the gas, water and shit  
I step in to help out, go 'head, keep the change  
You spend it up, then, you say stuff like you don't need a man  
Now you're on to other things, for certain, you changed  
You went from new curtains to hang to purses and rings  
Buying all that expensive shit, can't afford it  
And when I don't pay for it, I'm on some bullshit  
You want your cake and eat it too  
Then, you try to act like I needed you

You've got food on the table  
You've got clothes on your back  
You've got all your bills paid  
Why you want to treat me like that?  
You go and do as you please  
Keeping me on a string  
Go 'head and cut me loose so you can go due yo thang

You keep talking to your friends about what I don't do  
While past relationships steadily haunt you  
Your knight in shiny armor is now too slow for you  
Wardrobe is getting too old to do what it's supposed to do  
Sometimes I need somebody to help me  
You're forgetting the big picture, nothing but selfies  
Left me lonely like MC Shan's chick  
Fine dining while I'm eating a flimsy sandwich  
You're out on the town, doing it big  
Letting the top drop, just you and your wig  
Forgetting about a nig until the times get hard  
But where's my reward when mine get hard?

You know, seems like I deserve something every now and then  
You should treat me better than just the average friend

Every time you come to me, you're always trying to complain  
Damn, man

You've got food on the table  
You've got clothes on your back  
You've got all your bills paid  
Why you want to treat me like that?  
You go and do as you please  
Keeping me on a string  
Go 'head and cut me loose so you can go due yo thang

(Yeah, go on on then  
You know what I'm saying?  
Do what you got to do  
You know what I'm saying?  
Hey, I ain't tripping  
I'm good, you know what I'm saying?  
We came in this together  
As adult human beings, we're going to leave the same way  
You know what I'm saying?  
You got your life and I got mine  
We can't do it together, hey, divide and conquer  
Go ahead, due yo thang  
I'll holler at ya)

You've got food on the table  
You've got clothes on your back  
You've got all your bills paid  
Why you want to treat me like that?  
You go and do as you please  
Keeping me on a string  
Go 'head and cut me loose so you can go due yo thang

(Well, that's what it is  
It is what it is  
You're leaving, huh?  
Go ahead  
Well, take everything, take everything  
Well, if you don't mind, can you leave the pussy right there for me?  
You know what I'm saying?  
You can get the fuck out of here but please leave the pussy right there  
Man, shit!)
