

# I'm Just Gettin' Blowed

Devin the Dude

Yeahhhh  
Blowed  
Yeahhhh  
(Tha Bizness, Tha Bizness)

The heresy, the talking, the chatter  
The gossip and the rumors  
See to me, it don't matter  
I barely go out  
And if you ever see me  
It's probably at a grocery sto', but not on TV  
Cause when I get high - I get hungry, so I cook  
Go get some weed and...open a book  
Of papers, if I don't have a cigar  
Hold up, wait - I got some blunts in the car  
Mad dash, Brad back  
With a fresh box of swishers  
(I thought you said blunts?)  
Cigarillos, what's the difference?  
It's about what you put up in  
Nigga, look at this spinach!  
Roll it - nigga, hit it!  
2 minutes, you finished  
I'm still gettin' throwed (hee-hee!)  
Trippin' on niggas wearin' these Rurplestilskin clothes  
But to each his own  
Who knows, behind closed do's  
But nevermind, I'll mind mine  
I'm just gettin' blowed

Yeahhhhh  
Blowed  
Yeahhhhh  
Gettin' blowed

While you're mumbling, I'm crumbling erb  
Niggas always tripping about something they heard  
It's so easy to be thee  
One behind the topic  
And the subject, you won't love it  
But there is no way to stop it  
And ain't no need in plotting  
Cause that shit will leave you nothing  
But alone and rotten  
Friends gone and forgotten  
But there's another option  
You can just say fuck it!  
Pull out your dick and tell all them hoes to suck it!  
Been through it, influenced  
Men do some crazy shit  
Dabbled here on different drugs  
That fucked me up and made me quit  
My lady bitch, slut, ho, or whatever left me  
(Which one?)  
Shit! All of 'em, they never kept me!  
Marriage swept me off my feet when I was younger  
But yet, and still at big events

They wonder why I brung her  
Yes, I hunger  
For someone to understand the code  
You can knock three times, you'll see  
I'm just gettin' blowed

Yeahhhh  
Blowed  
Yeahhhh  
Gettin' blowed

Yes sir, real early in the morning  
I be on that weed  
In the afternoon  
Yes, I zoom-zoom  
Until late in the evening  
And then at night, I just take flight  
Up, up, and away  
So if you see me flying by high  
Don't mind me  
I'm just gettin' blowed

Yeahhhh  
Blowed  
Yeahhhh  
Gettin' blowed  
Blowed  
Yeahhhh  
Gettin' blowed
