

Probably Should Have

Devin the Dude

I didn't come, I didn't call ya
Matter of fact I forgot it was your birthday.
I didn't check my messages
I guess I was drinking, was thirsty in the worst way.
I didn't realize
That you wanted me just as much as I want you.
I tried to get between them thighs
You asked me to wait, but I just didn't want to.

Probably should have, but I could have
Spending time, worrying when you gone put out?
Thinking with my third leg with my foot out
Now I'm sitting out around here in this shit house.

I forgot to, thank you
For all the things you done for me.
I didn't bother, to help you
With your rent when you asked me for a G.
I can be played a fool
That's what I thought you was all about money.
Now you with some other dude
I want another chance, but you don't want shit from me.

I didn't tell you how much I needed you in my life babe
I didn't tell you how much I care for you.
But I

Probably should have, when I could have
Spending time, worrying when you gone put out?
Thinking with my third leg with my foot out
Now I'm sitting around here in this shit house.

And you were gone, was all alone
I met a girl, she was fine and submissive.
She was cool, she wasn't you
She only f**k, didn't cook, didn't do dishes.
But that ain't what it's all about
Realized she was just like them other fake bitches.
Slamming doors and throwing shit in my house
And now she cutting up my shit, man what the f**k is this!??
I sometimes think of you as I toss and turn at night
Now you gone with someone else
And I lossly yearn to fight (probably should've treat you right).

Probably should have, when I could have
Spending time, worrying when you gone put out?
Thinking with my third leg with my foot out
Now I'm sitting around here in this shit house.

You know, most of my time, is pretty much thinking of you
I even look at the pictures we use to take
Realize that I made a huge mistake.
I wish I could turn back the hands of time
I'll do alot of things differently.
Respect your body, and your mind
So I can have both at the same time.

I didn't tell you how much I needed you in my life babe
I didn't tell you how much I care for you.
But I

Probably should have, when I could have
Spending time, wondering when you gone put out?
Thinking with my third leg with my foot out
Now I'm sitting around here in this shit house.
Probably should have, when I could have
Spending time, wondering when you gone put out?
Thinking with my third leg with my foot out
Now I'm sitting around here in this shit house.
