Happy Birthday

Devin Townsend Project

Heart joined the right time
The right time, to move on
Heart joined the right time
The right time, to mourn
Heart joined the right time
The right time, to move on
Heart joined the right time
The right time, to mourn

Love me, love me
I'm a child
Love me, love me
I'm a child
Your eyes give you away
Your eyes give you away

Love me, love me
I'm a child
Love me, love me
I'm a child

Your eyes give you away
Your eyes give you away
My darling

Well happy birthday to you
I will always be true
And if all life is you
Happy birthday to you

My darling

Love me, love me
I'm a child
Love me, love me
I'm a child

Your eyes give you away
Your eyes give you away
My darling
Slow over time
Open arms, open wide
Slow over time
Open arms

Heart joined the right time
The right time, to move on

Happy birthday to you
I will always be true
And if all life is you
Happy birthday to you
My darling

Happy birthday to you
I will always be with you

And if all is you
Happy birthday to you
My darling
To you
My darling
To you

To you
