```
I drwa the line and
Hard times are mine and
All the lies...
I walk the line and
Har times I'll find and
All the lies
I see, I see you
...but I'll never follow, I'll never follows lies
I see I see you
I'll never follow, I'll never follow love
Haul the line, all the minds
Who transcends this?
I do
Do you transcend this?
I see, I see you
...but I'll never follow, I'll never follows lies
I see I see you
I'll never follow, I'll never follow love
Haul the line, all the minds
Who transcends this?
I do
Do you transcend this?
Who transcends this?
I do
Do you transcend?
```
