

Amsterdam

Devin Townsend

Forty years from now
Will I still be scratching away at this hole
Will I look back into this jar and see a presence worth mentioning?

I'll be in Amsterdam in the morning
Walking in the footsteps of what I once believed in

Forty years from now
Will I still be za-onda-way at this hole
We-saw-na-mentioning
I'll be in Amsterdam in the morning
Walking in the footsteps of what I once believed in

I know the sign
In soft morning light
I know
I know

I know the light
Is it so over?
I know the light

Down the water
If you say it's over then it's
