Fear torn away
War torn away from us
Let the kingdom burn
'God knows the way'?!
You're torn away from us
Let the chaos roll

And in time, we're two in it all together
And in time: we'll do it again

You need a meditation for the loss
(I'm ready to go)
You need a medication for the cost...
(I'm ready to go)

Fear torn away
War torn away from us
Let the kingdom burn
'God knows the way'?!
You're torn away from us
Let the chaos roll

Is this the one?
I'm ready to go but I know it's electric as the world is falling apart...

Behold the cost

You need a meditation for the loss
(I'm ready to go)
You need a medication for the cost...

Hey, by the way...
Is it true what they say?
Eh... it's ok.

I was leaving anyways

Fear torn away
War torn away from us
Let the kingdom burn
'God knows the way'?!
You're torn away from us
Let the chaos roll
