

Hold On

Devin Townsend

Stay calm afraid.
Stay warm away.
Say god again?
Stay calm, my friend.

Say no and nobody knows.
Say god, young blood in your heart!

Hold On!

'Say god' again
'Stay calm' again
Say god and then...
Say god, can you hear what I'm saying?

I'd go where nobody'd go,
Hearts bleed, they want to be free!

Hold On!
Hold On!

Say tomorrow you'll capture me the morrow...
Please just let this boy go home.

Yes it's true.

Yes it's you.

...Hear what I'm saying?

I'll go where nobody goes,
Heart bleed, we want to be free!

Hold On!
Hold On!

Hold On! ('Cause I love you, yes I love you...)
Hold On! ('Cause I love you, yes I love you...)

...Yes it's true my love grows
