

# Middle Aged Man

Devin Townsend

Middle aged man, middle aged man  
Middle at the middle, at the middle aged man  
Middle aged man, middle aged man  
Meet me at the middle, I'm a middle aged man

I am moderation  
Oh my god, now I'm in the middle age  
Gotta find a center

Middle aged man, middle aged man  
Middle at the middle, at the middle aged man  
Middle aged man, middle aged man  
Meet me at the middle, I'm a middle aged man

I am expectation  
Oh my god, now we need a vacation  
Gotta get away, gotta get away, so

Wake up, no!  
Wash up, eat up  
I wanna stay in bed today  
But no!  
No! Hang up, eat up  
Hang up, get up

Don't ask me who I am  
Cause it's a long, long conversation  
I forget just who I am

Cause I'm a  
Middle aged man, middle aged man  
Meet me at the middle, I'm a middle aged man

I don't wanna make a fuss  
But I'm the old man on the bus  
And the way you kids been carrying on  
Get the hell off of my lawn!

Wake up, no!  
Wash up, eat up  
I wanna stay in bed today  
But no!  
No! Hang up, eat up  
No! Wash up, eat up  
Wake up, get up  
Wash up, eat up  
Get up, wake up

So just don't ask me who I am  
Cause I'm so sick of that conversation  
I am just who I am  
I got no time for this kinda dissention  
So let's just get away

Cause I'm a  
Middle aged man, middle aged man  
Middle at the middle, at the middle aged man

Middle aged man, middle aged man  
Meet me at the middle, I'm a middle aged man!
