

Om

Devin Townsend

Everything is on tonight
Even in the morning light
Everything is finalised
Even if it's just a new reminder

I'll wait, I'll wait, I'll wait, I'll wait
All right, all right, all right already!

I'll wait, for the time is here
I'll wait for the Christ to hear
Wait for the time, wait for the time

Feeling older, feeling lonely?
Please don't compromise

Om, om, world is home
What are you trying to do with your life?
All that we're trying to do in this life is go home

Om, om, om...
