

Save Our Now

Devin Townsend

I fall apart, I call her out
I follow her!
I'm calling her!

Happy now? (For me?)
Happy now? (Happy now!)
And we shouldn't be awake, we shouldn't be awake
But I am!
(I am!)

Ah!
Save our now!
But are we happy now? (For me?)
Happy now?
Save our
Save our
Save our now!

I fall away
I call at the world
I fall alone
I call alone

Happy now? (For me?)
Happy now? (Happy now!)
They say we shouldn't be awake, we shouldn't be awake
But I am!
(I am!)

Ah!
Save our now!
But are we happy now? for me?
Happy now?
Save our
Save our
Save our now!

I'll never know if the wander in the wilderness
Is all I've ever wanted and is all I've ever known!
Are we crying now?
