

# Take My Ego

Devin Townsend

Sunday morning...  
So, you arrive  
Slowly this morning  
Time goes by

Take My Ego  
So, you arrive  
Silent mornings and solemn days are killing me

So, Take My Ego  
Take my heart  
Take My Ego  
Let it out

Cry in the morning  
Cry at night  
(editing needed) are only  
Worn in the night  
Why in the world would we lock in the night?  
Crawl in the morn, then to mourn and block out the night

Take My Ego  
Take my heart  
Take My Ego  
Let it go  
So many people  
So many hearts  
Cry at night so where you ride  
Just let me go

I, I know that the words do come  
We should let them flow  
Now, I find in a world unkind  
I just want my baby, baby, baby

Take My Ego  
Take my heart  
Take My Ego  
Let it go  
So many people  
So many hearts  
Cry at night so where you ride  
Just let me go

Take My Ego  
Take my heart  
Take My Ego  
Let it go  
So many people  
So many hearts  
Cry in the night so where you ride  
Just let me go  
Just let it go  
Just let me go  
Just let it go  
Just let it go  
Just let it go  
Just let it go
