

Universal

Devin Townsend

I know all that I know
Stepping to the universal groove
And I owe all that I owe
Tending to the universal you

I say, how am I ever supposed to carry on?
(Just as sure that all your hope is gone)
Oh yeah!

Uh, I know all that I know
Stepping to the universal groove (I am)
I owe all that I owe
Tending to the universal

I say, how am I ever supposed to carry on?
(No, no, no, no, no, no, no, no, no, no)

So come and let me hear you say "Hey!" (hey)
So come and let me hear you say "Surrah!" (Surrah)
So come and let me hear you say a "Waste!" (waste)
So come and let me show you how long this motherfucker I know

Find our way back (the universal)
Find our way back (the universe)
Find our way back (the universe) home
To rock it like, to rock it like
You never got it showing it town

So come and let me hear you say "Hey!" (One more time)
So come and let me hear you say "Surrah!" (One more time)
So come and let me hear you say a "Waste!" (One more time)
So come and let me show you how long motherfucker I know

Find our way back (the universal)
Find our way back (the universe)
Find our way back (the universe) home
To rock it like, to rock it like
You never got it showing it town
