

Vacation

Devin Townsend

Stuck in a rut again
But there's no place that he'd rather be in
But he's lonely, he's lonely
Talking about the kids
And wondering if he's gonna leave
And it's only Tuesday

Let's go on vacation today
Marooned here on Castaway Cay
And the winner takes it all again
Winner takes it all

Some place that she's never been in
Somewhere right out of a vision
Where it's alright, it's alright
Stand out under the stars tonight
The kid's all good and the world's alright
Yeah, it's alright, it's alright

Let's go on vacation today
Marooned here on Castaway Cay
And the winner takes it all again
Winner takes it all

Stuck in a rut again
But there's no place that he'd rather be in
But he's lonely, he's lonely

Let's go on vacation today
Marooned here on Castaway Cay
And the winner takes it all again
Winner takes it all
Well, let's go on vacation today
Marooned here on Castaway Cay
And the winner takes it all again
Winner takes it all
