

Why

Devlin

I just wanna know what I'm here for what I smoke weed for what I drink beer for, why I keep struggling and why I cry tears for its like I'm trapped in a tug of war, when we die its the end there's nothing more, I've got so many friends but I'm lonely, but when I'm layin in my bed and I think in my head no one will actually know me. I'm not sayin that I wanna pass away, but I just wanna know why I'm here today, and does it matter what we do its like takin control, one thing I know when were waitin to go, fuck takin it slow, life ain't breakin my soul, cause I go t more compassion than hatred on road, still I don't know why I 'm here so the equasion ain't solved, no

Why does the world spin round, why does the world turn round an d why do birds fly in the sky and why do we walk on the ground like why does the world spin round

Yeah, Why does the world spin round, why does the world turn ro und and why do birds fly in the sky and why do we walk on the g round like why does the world spin round

I find it hard to belive in religion, the bibles like chinese w hispers, written by man and passed on over time, so every other time everybody adds another little line, I'm not tryin in the least to be disrepectin, nah I'm just sayin that I can't accept it, if you ask the church they'll probably tell you that my wo rds are septic I'm a hell bound skeptic. I'm not tryin to be na sty or evil, I'm just tryin to find a purpose for people and if you misunderstood me then listen back, if God made the world i n 7 days, what's he been doin then just kickin back, don't see me as takin the piss, I'm natrually human its natrual why I'm q uestioning this I just wanna know why do we live?

Why does the world spin round, why does the world turn round an d why do birds fly in the sky and why do we walk on the ground like why does the world spin round

Yeah, Why does the world spin round, why does the world turn ro und and why do birds fly in the sky and why do we walk on the g round like why does the world spin round

Their never gonna change the bits, and their never gonna change the kids, their watchin MTV cribs then they look where they li ve now their seeing extaushion so now their takin your money wi thout caution, put you in a tight space like contortion and tak ing your portion, a rising stone broaden, so next thing you kno w they'll be facin the warden, It seems to go round and round, swings and roundabouts scales and grams, kids still wear hand-m e-downs, so imagine what they'd do for a thousand pounds, murde rist killings these children are willing there moving with vill ans their pockets keep filling in multipule sinnings there taki ng your winnings to ease the pain like penisilin

Why does the world spin round, why does the world turn round and why do birds fly in the sky and why do we walk on the ground like why does the world spin round

Yeah, Why does the world spin round, why does the world turn round and why do birds fly in the sky and why do we walk on the ground like why does the world spin round
