Devo

Well, you wouldn't believe it, people  
Believe what I saw  
I saw a man get out of a car  
Saw a man drive into a bar

Three women got him from down on the ground  
Took his pants off and they whirled him round  
And bushwhacked, whoa-oh-oh  
Bushwhacked, yeah, yeah,  
He was bushwhacked  
Those girls knew what to do

Well, they wouldn't believe his story  
Threw it outta court  
They wouldn't let him have it  
The man had to abort

'Cause he was bushwhacked  
Said bushwhacked, three women got him  
Bushwhacked, they wouldn't believe it  
Bushwhacked, those girls knew what to do

Things are changin', people  
In the world today  
Things between a man and women  
Just ain't the same way

Man, woman  
A little bit underground  
Things is goin' down  
Bushwhacked

Bushwhacked, three women got him  
Bushwhacked, three women got him  
Bushwhacked, those girls knew what to do

Well, they wouldn't believe his story  
Threw it outta court  
They wouldn't let him have it  
The man had to abort

'Cause he was bushwhacked, whoa-oh-oh  
Bushwhacked, three women got him  
Bushwhacked, they knew what to do

He was bushwhacked, whoa-oh-oh  
He was bushwhacked, three women got him  
Bushwhacked, those girls knew what to do

Show 'em what to do

Well, you wouldn't believe it, people  
Believe what I saw  
I saw a man get out of a car  
Saw a man drive into a bar

Three women got him from down on the ground

Took his pants off and they whirled him round  
And bushwhacked, whoa-oh-oh  
Bushwhacked, yeah, yeah,  
He was bushwhacked  
Those girls knew what to do

Well, they wouldn't believe his story  
Threw it outta court  
They wouldn't let him have it  
The poor guy had to abort

'Cause he was bushwhacked, whoa-oh-oh  
Said bushwhacked, three women got him  
Bushwhacked, those girls knew what to do

Well, many things are changing  
In the world today  
Between a man and woman  
Things ain't the same way

Said man, woman go underground  
A man and a woman down on the ground  
He was bushwhacked  
Those girls knew what to do
