

Can U Take It?

Devo

Can you take it?

Popeye's big punch
Knocks Bluto cold
Cartoon people
Don't go old
Yosemite Sam
Blows up his head
But you and me
Wind up dead
Dreamed I laid a toaster
Daddy caught me in the act

Can you take it?

Beauty queens
Get bigger all the time
Mamma's in a basket
Crossed a double yellow line
Magazines and T.V.
Show us nice behinds
All the kind of stuff
Nobody ever finds
Headlines in the paper:
"Killed by rock n' roll"

Can you take it?
