

It Takes a Worried Man

Devo

It takes a worried man
To sing a worried song
I may be worried now
But I won't be worried long

It takes a worried man
To sing a worried song
I may be worried now
But I won't be worried long

Everyone's going to parties
They're all laughing, having fun
And it takes a worried man
Now to sing a worried song

Everything is fucked up
It's all coming down
And it takes a worried man
Now to sing a worried song

It takes a worried man
To sing a worried song
I may be worried now
But I (he) won't be worried long

It takes a worried man
To sing a worried song
I may be worried now
But I (he) won't be worried long

I see you there
We'll have a good time
Well all right

Ohhrra, Ohhrra, Ohhrra
Ohhrra, Ohhrra, Ohhrra
Ohhrra, Ohhrra, Ohhrra
Ohhrra, Ohhrra, Ohhrra

It takes a worried man (Ohhrra)
To sing a worried song (Ohhrra)
I may be worried now
But I (he) won't be worried long

I see you there
We'll have a good time

Do you feel it comrades?

It takes a worried man (Ohhrra)
To sing a worried song (Ohhrra)
I may be worried now
But I (he) won't be worried long

Takes a worried man (Ohhrra)
To sing a worried song (Ohhrra)
I may be worried now

But I (he) won't be worried long

Takes a worried man (Ohhra)
To sing a worried song (Ohhra)
I may be worried now
But I (he) won't be worried long

It takes a worried man (Ohhra)
To sing that worried song (Ohhra)
I may be worried now
But I (he) won't be worried long

I see you there
We'll have a good time
Well all right
