Wake up puppet boy!

Get up puppet boy You've got a job to do Even so you're free to go Where your master tells you to Listen puppet boy Before you disobey Consider that the strings attached Could make a big change in your ways Puppet boy It's the little things that count Little problems little minds Little points of view Puppet boy It's the little things add up Getting bigger pull the trigger Little things like you

Stand up puppet boy (stand up puppet boy)
Time to start the show (time to start the show)
You'd better do some brand new moves
They paid a lot to watch you go

Ha!

No!

What's that puppet boy?
Don't tell me what to do
What's that puppet boy?
I'm not a freak like you
What's that puppet boy?
I'll move when I want to
I can't hear you puppet boy
Now dance dance

Stay out of bed
Unless you wanna get wet
I'm a boy not a toy
And I'm not through yet
Stay out of bed unless you wanna get wet
Now wake up puppet boy
Ha!

Listen puppet boy (listen puppet boy)
You're not a robot slave (you're not a robot slave)
Consider that no strings attached
Could ever make you misbehave
Puppet boy
It's the little things that count
Little problems little minds
Little points of view
Puppet boy it's the little things add up
Getting bigger pull the trigger
Little things like you
Puppet boy
It's the little things add up
Getting bigger pull the trigger

Little things like you
Puppet boy
It's the little things in life
Little problems little minds
Little points of view
Puppet boy
It's the little things that count
Getting bigger pull the trigger
Little things like you

Now wake up puppet boy!
