

Signal Ready

Devo

Keep your eyes, ears, nose, mouth pointed towards the future
Keep your eyes, ears, nose, mouth focused on the target
Keep your arms, legs, hands, feet safe inside the car
Keep your arms, legs, hands, inside the car at all times

Power wash, jet dry, force feed, laser point
Engage in hand-to-hand combat
Steam clean, dive bomb, wildfire, test-drive
Employ droid-and-brain tactics

Keep your eyes, ears, nose, mouth pointed towards the future
Keep your eyes, ears, nose, mouth focused on the target
Keep your arms, legs, hands, feet safe inside the car
Keep your arms, legs, hands, inside the car at all times

Supercede, stampede, orange peel, reel-to-reel
Going in! Going in! Going in for survivors
Speed-read, fly-by, load clip, drop ship
Hold on tight, it's gonna be a bumpy flight!

Go! go! go! go! Signal ready, signal ready
Go! go! go! go! Signal ready, hold it steady
Fire! Fire! Fire! Fire!
Accapella
Fire! Fire! Fire! Fire!

Keep your eyes, ears, nose, mouth pointed towards the future
Keep your eyes, ears, nose, mouth focused on the target
Keep your arms, legs, hands, feet safe inside the car
Keep your arms, legs, hands, inside the car at all times
