

Total Love

Devo

"She makes no foolish demands of her own
She knows how to act. She does what he wants, when he wants.
And he wants her to take command
To bring in her machine so he can buy it back from the corporation
And do Total Luv as they did before she put her toilet up for sale."

I look for total luv
I look for total luv
I look for total luv
You know what I mean
Bring me your machine
We'll take your iron lung
Attach me, hold my hand
Show me your in command
Your still hung up
On mess love stuff

Put out your cigarette
It only makes a mess
Well deals might be alright
For little field mice
But this life or death

Please give me Total luv
Total, A-Z
It's not discrete
It's total with a capital T
Well, I'm not lying
Not talking smut

Well, I tell you
I want to live in your butt
Go on a shopping spree
Really get in the rut

It's all or nothing for Me

I'd like to Total Luv
I'd like to Total Luv
I'd like to Total Luv
I'd like to Total Luv
Bring it back with one good smack

Oh god, give me Total Luv! I'm gonna blow like a whale!
Give it like you did before you put your toilet up for sale!"
"Who do you think you are?"

Pulling out
Like you got something better to do
Than give me Total Luv
Give me total luv
Give me

I'd like to Total Luv
I'd like to Total Luv
I'd like to Total Luv
I'd like to Total Luv

You know what I mean

I'd like to Total Luv
I'd like to Total Luv
I'd like to Total Luv
I'd like to Total Luv

You'll bring it back
With one good smack

Oh god, give me Total Luv! I'm gonna blow like a whale!
Give it like you did before you put your toilet up for sale!"
"Who do you think you are?"

Pulling out
Like you got something better to do
Then give me Total Luv
Give me total luv
Give me

Total luv
It's gotta be total, A-Z
Not again, not discrete
With a capital T
I ain't no field mice
Bring me your device
Please I gotta have my total luv
(Total luv)
I need it
You need it too
Gotta be total
I'm gonna buy you back from the corporation
I'm gonna get your toilet
