

## Closer

Devon Baldwin

I been caught up in my late night thoughts  
Slowing me down, slowing me down  
I've been wanting what I haven't got  
Show me now, show me now

Slow it down, oh she will slow it down, down  
Down, oh she will show me how, how

Cause we both know it now  
I came right here for you  
I'm so open now  
And I need you closer  
Closer, closer  
And I need you closer  
Closer, closer  
And I need you closer

I've been running from the things I want  
But I'm breaking down, breaking down  
Do you wonder what you haven't got?  
Come and take me now, take me now

Break me down, oh she will break me down, down  
Down, oh she will take me now, now

Cause we both know it now  
I came right here for you  
I'm so open now  
And I need you closer  
Closer, closer  
And I need you closer  
Closer, closer  
And I need you closer

Can't you see?  
Can't you see?  
Can't you see my heartbreak?  
Can't you see?  
Can't you see?  
It's all over  
Can't you see?  
Can't you see?
