Keep On Loving Me

Devon Baldwin

I don't say you lark but you look my way
Though the silences blurs, I need you to stay
I can feel a change running through my veins
Don't say it's just a phase, don't go, stay

The way I'm feeling now
Couldn't be any clearer
You know you got me drowning out, drowning out
Could you pull me down
Got me tounge-tied and spinning
Boy you got me drowning out, drowning out

Just keep on loving me
I'll tell you what you wanna hear
Just keep on loving me
I'll tell you what you wanna hear

You're under my skin, boy you got me thrown
Make me wanna do all the things I don't
It's too good to be true, you must have me thrown
But still I can't refuse, so that's good

You're spinning me around
You could see right through me
Boy you got me drowning out, drowning out
Could you break me down
Tell me I'm the only
One that's got you drowning out, drowning

Just keep on loving me
I'll tell you what you wanna hear
Just keep on loving me
I'll tell you what you wanna hear

Tell me that you love me
Say you'll never leave
Baby I just wanna be
Everything you need

Just keep on loving me
I need you, I need you
I need you now, I need you now
Just keep on loving me
I need you, I need you
I need you now, I need you now
Just keep on loving me
I'll tell you what you wanna hear
Just keep on loving me
I'll tell you what you wanna hear
