

## Limit to Your Lies

Devon Baldwin

I don't know what I'm expectin'  
Keep fallin' back in  
Hopin' it's different  
But nothin' with you ever changes  
You're showin' all but two faces  
And I don't understand

I keep thinkin' it's the last time  
That I have to look in your eyes  
And decide if you were cruel or kind  
Yeah, I keep thinkin' it's the last time

But there's no limit to your lies  
There's no limit to your lies  
There's no limit to your lies (To your lies there's no limit)  
There's no limit to your lies

Maybe I'm too optimistic  
Or maybe just foolish  
To keep goin' through this  
But you're always so damn convincin'  
Only say you love me when I'm leavin'  
And I come runnin' back

I keep thinkin' it's the last time  
That I have to look in your eyes  
And decide if you were cruel or kind  
Yeah, I keep thinkin' it's the last time

But there's no limit to your lies  
There's no limit to your lies  
There's no limit to your lies (To your lies there's no limit)  
There's no limit to your lies

There's no limit  
There's no limit  
There's no limit  
There's no limit

But there's no limit to your lies (Last time)  
There's no limit (But you look at me and lie, eyes)  
(Say I'm the only one you love)  
To your lies there's no limit  
There's no limit to your lies
