

# Underwater

Devon Baldwin

It's not like me to feel so alive  
Just when I think I feel alright  
I know there must be something wrong

But lately there's a pounding in my chest  
That I can't seem to tame  
And I don't know what you did  
But I can't find that familiar pain

It feels like I can breathe underwater  
I can feel you pulling me through  
Would you mind if I leaned on your shoulder  
If I promise to get through this  
Oh, say you won't let go  
Oh, say you won't let go

I know you could break the fall for me  
But you give me the space I need to bleed  
Till I can stand up on my own

But lately there's a pounding in my chest  
That I can't seem to tame  
And I don't know what you did  
But I can't find that familiar pain

It feels like I can breathe underwater  
I can feel you pulling me through  
Would you mind if I leaned on your shoulder  
If I promise to get through this  
Oh, say you won't let go  
Oh, say you won't let go

Don't let go  
'Cause I won't let go, oh

It feels like I can breathe underwater  
(It feels like)  
Would you mind if I leaned on your shoulder  
If I promise to get through this  
Oh, say you won't let go  
Oh, say you won't let go
